About us:

Frozen Trees Gift & Premium was established at the early of year 2013. We are green lover but we prefer those plants which require minimum cares. We dedicated to do Terrariums after spent a lot of time study & analyze about it. We started the business after we confidence with Our' knowledge about Terrariums. Our Terrariums is unique & rare. Our Terrariums have a level of design aesthetics that you won't found in any other place.

By the way, we are also the first doing the Terrarium Exhibition in Malaysia during royal floria putrajaya 2016. It was a grand exhibition in Malaysia whereby attracted about million of visitors.

Not only Terrariums, we also focusing in whatever creations that related to mosses. Such as Europe imported preserved mosses for wall decoration. We also specialised with vivarium & paludarium which trendy now days.
